

## JASC Welcomes Seal Tech, Inc. from Japan

On Friday, June 3, 2005, Jansen's Aircraft Systems Controls, Inc was proud to host representatives from the Seal Tech company headquartered in Tokyo, Japan. The four associates traveled across the globe to discuss the JASC product line and how certain items can solve their customer's needs.

**From L to R (sitting):** Kensuke Nishimura, President; Mitsuru Nishimura, Assistant Manager, Sales Engineering; Ko Nakayama, Manager, Sales Engineering; and Jun Sakamoto, Marketing Manager, from Seal Tech, Inc. **(standing):** John Calleja, Engineering Manager; and Harv Jansen, President, of JASC

JASC and Seal Tech are looking forward to establishing a long lasting business relationship that will be mutually beneficial.
